RE: 2014 Kentucky Poultry Federation Scholarship

The Kentucky Poultry Federation is looking for graduating High School seniors (Spring 2014) or enrolled students who are attending a college, university, or technical training program to be recipients of the KPF Scholarships. These students must have good character and determination to succeed.

Through the generosity of our members and allied companies, scholarships have been established to assist graduating high school students or students currently attending a college or university to continue their education. **These scholarships were created to benefit the children and grandchildren of our poultry complex employees, growers and allied members.** The Kentucky Poultry Federation Board of Directors and members established this fund to help young students continue their academic careers or receive additional training in another area beyond high school.

The Kentucky Poultry Federation will be awarding four students \$1,000 scholarships each. **The recipients of the 2014 Kentucky Poultry Federation Scholarships must be a child or grandchild of an employee of a Kentucky poultry complex or a child or grandchild of a grower who is a member of the Kentucky Poultry Federation or a child or grandchild of an allied member of the Kentucky Poultry Federation.** Recipients must be residents of Kentucky. Three scholarships have been specifically earmarked for a child or grandchild of a poultry grower who is a member of the Kentucky Poultry Federation.

Interested candidates please read the enclosed Application Rules and Instructions carefully and determine your eligibility for the scholarship. If you are definitely not eligible, please do not return the Application Packet. The award winners will be announced at our 16th Annual Kentucky Poultry Festival Hall of Fame Banquet on Saturday, October 11, 2014 at the University Plaza Holiday Inn, Bowling Green, Kentucky. For consideration in the scholarship competition all Application Packets must be post marked or electronically submitted by **Monday, June 30, 2014**. No exceptions will be made.
